What is the ARCM?

A major component of QREX, the Australian Resources Careers Market (ARCM) offers your students the opportunity to:

- Find out about skills to enhance employment options in the resource industries;
- See universities, TAFE, recruitment & training provider displays
- Find out about courses, apprenticeships and traineeships.

What is QREX?

QREX is a celebration of the resource sector's contribution to Central Queensland, to the state and to the nation – now and in the future. It provides an opportunity for Central Queensland businesses to display their products and services, showcasing the resources industry as a whole.
