PROGRAM DETAILS

TUESDAY 21ST JULY

Women Inspiring Resources Sector Careers 9:45am, 11am, 12noon & 1:30pm Room 1
Caroline Morrissey, Manager of QRC's Women in Resources Action Plan introduces some of the resources industry's leading women who will inspire young people to take up careers in the resources sector: Sandra Collins, East End Mine Manager at Cement Australia; Julie Griffin, Electrical Maintenance Planner at BMA Crinum Mine; Juanita Grillmeier, Human Resources BMA Moranbah; and Simone Wetzlar, Chief Operating Officer, Australian Mining Thiess Pty Ltd
Year 9 – 12 & General Public

WEDNESDAY 22ND JULY

The Right Career for You 9:15am – 10:00am Room 1
Find out what career opportunities are available to you, and how CQUniversity's Careers and Employment Section can assist you in finding your perfect career. Year 10 - 12

Electricity & How it Works 9:15am – 10:00am Room 2
Come and join Ergon Energy for a hands-on demonstration of how electricity works. Play games and activities and find out all about electrical safety around your home. Year 6 - 8

Engineering Co-op Info 10:15am – 11:00am Room 1
Thinking about becoming a professional engineer? You can be a driver of change in society and be responsible for technological change as well as the impact this change has on communities, society and the environment. Join Ian Devenish for all the information you need on CQUniversity's Engineering Co-op program. Year 10 - 12

Multimedia in the Resources Industry 10:15 – 11:00am Room 2
Get into this hands-on workshop and test your multimedia skills in activities that show you how important multimedia is in the resources industry. Year 6 - 8

Career Advice Australia Educational Program 11:00am – 12:00noon & 12:00noon – 1:00pm Room 1
Considering an apprenticeship? Wondering what comes after getting your degree? Trying to get and keep a job in the resources industry? Come and talk to apprentices, students and industry trainers who can tell you how you can get into the job you want faster. Includes a QREX Trade Exhibition Tour. Year 9 - 10

University for Indigenous & TSI 11:15am – 12:00noon Room 2
Wondering if university is for you? Didn't get the OP you wanted or didn't get one at all? Not a problem! Find out about your options and the support services CQUniversity offers to help you get into uni and make the most of your undergraduate and post graduate studies. General Public

Journey to a Brighter Future 12:15pm – 1:00pm Room 2
If you're looking to change your career, upgrade your skills, or just don't know what to do next with your career, CQUniversity can offer you a free, personalised program to help you try out tertiary study and fast-track your entry into uni. Find out everything you need to know if this workshop. General Public

Management Training with Real Outcomes – A Case Study 2:00pm – 2:45pm Room 1
If you are an organisation wanting to partner with a quality Registered Training Organisation, we will present a case study, where issuing a qualification is only a minor part of the training. Training to obtain tangible outcomes that fit in with the organisations culture is a substantial benefit of a customised training program". Mine/Engineering/Resource Managers

Progressing your Career in the Resources Sector 3:00pm – 3:45pm Room 1
If you are working within the mining, engineering and resources sector, this is your opportunity to profile your professional development educational opportunities. Mining, Engineering & Resources Employees

From Trade to Teacher 4:00pm – 4:45pm Room 1
If you're looking to use your trade and industry skills and qualifications to redirect your career, this is your chance to explore the teaching pathways that CQUniversity offers for professionals. Trade & Industry
